A SHORT HISTORY OF TELL CITY HIGH SCHOOL

This year's graduating class brings the total number of graduates from TCHS to 2,941.

The first class to graduate was the class of 1905, with 3 members. At that time, our high school had two teachers--Mr. Chris Newman, superintendent of schools, and Mr. Hardin Whitmarsh, principal of the high school.

In the early days, there were few subjects offered, and no choice was given students in courses. All freshmen took geography, government, algebra, grammar, and Latin. All sophomores took algebra, Latin, literature and physics. All juniors took geometry, Latin, literature and physics, and all seniors took geometry, Latin, literature, and botany.

A newspaper clipping from 1906 lists 37 students in the entire four years of high school. Also, at that time, grades earned by each student in each subject were printed in the Tell City News.

Several of the smaller graduating classes have been:

1905 and 1906---3
1907 and 1916---4
1910---5
1917---7
1915---9
1918---10
1908, 1909, 1913, 1921, and 1922---11

Classes with over 100 graduates have been:

1955---101
1957---102
1959---112
1960---114
1961---128
1962---132
1963---133

For the first few years, the high school was housed in the Old North Building, which stood where Newman Building does now. From 1909 to 1928, the present Franklin Building was the high school's home. The new building on Twelfth Street was occupied in 1928, with additions in 1951 and 1963.

Our city has had eight superintendents: Chris Newman (1898 to 1923), Charles Hanner (1923 to 1929), J. S. Turner (1929 to 1934), Glen Traw (1934 to 1939), Napoleon Dixon (1939 to 1949), Fred Fechtman (1949 to 1955), Glen Bretz (1955 to 1958), and Grady Swadley (1958 to ----).

During the year 1962 to 1963, our school had 35 teachers, several of whom spend part of their time in the grade schools. The average cost of 9 months schooling for each pupil for the past school year was \$ 396.60.

Mr. Hugh Thrasher has been serving as principal since 1956.

DENNIS KRESS

We respectfully dedicate this 1963 SAGITTARIUS to the memory of Dennis Kress, son of Mr. and Mrs. Clarence Kress.

Dennis was a member of our class till his death September 16 1961, from injuries received during football practice on Sept. 15.

School Activities

Many things happen, every day, in and about TELL CITY HIGH SCHOOL, that an occasional visitor--like one coming to a class play, a ball game, or a PTA meeting, never sees.

We have some 750 lively young people filling our hall and classrooms every day. For the next few pages, join us for a visit to some of these behind-the-scenes activities.

Also, below, is something else that any casual visitor to our community wouldn't likely notice. Remember all the wonderful ice in our Beautiful Ohio, January 24, 25, and 26 ---1963??

INTERESTING INSECT COLLECTIONS

IN THE INSECT COLLECTIONS class turned in their insect collections at the close of the very first six weeks' rating period to conclude their study of entomology. To receive an A, the students had to turn in a collection of from 1 to 10 species, 3 of which were of economic importance representing 12 orders out of a possible 25 known in this area. These insects had to be mounted and labeled correctly, with locality and date found, labels, and common name and order. The collection had to include 1 beetle pinned, 1 bug pinned, 1 butterfly, or moth pinned with wings spread, 1 larva in bottle, 1 insect mounted on paper point, and 1 insect injury.

TELL CITY, INDIANA

This is the way our home city looks to the wild geese,
as they wing their way overhead.

In this city, many of us will make our living, establish our homes, and educate our children.

In this city live the people who have made us what we are--good, medium, or otherwise.

The people of this city have spent some \$2,500 toward our education---and we appreciate it!!

We are--the SENIORS, the JUNIORS, the SOPHOMORES, and the FRESHMEN.

A Teacher is Like a Candle.

Let us thank the teachers who have helped us along the road to learning. The picture, taken at the faculty luncheon, May 21, 1963, shows left to right, Superintendent, retiring after 23 years in all city schools (a record) Mary Wesley during service time on Willie Partz, who served 32 years; Mrs. Coldoway, 33 years; and Mrs. Edith Smith, 25 years.

Each retiree received an appropriate pin, which we're sure they will treasure very much.

1963 SPRING BAND TRIP

On April 25 members of the Bell City Band and their chaperones left for a four day spring concert tour. Concerts were played at Sarah Scott Senior High School in Terre Haute, Effingham High School in Effingham, Illinois, Mascoutah High School in Mascoutah, Illinois, and Beaumont High School in St. Louis, Mo. The band stayed at the Mark Twain Hotel in downtown St. Louis. On Friday night the band had their choice either to go to a cinema or an opera. The next day was spent sight seeing at Grant's Farm, the St. Louis Zoo, and at Highland's Amusement Park. Saturday night, the seniors ate at Tuscul's Restaurant with Mr. Silke, and then everyone was free to do as he pleased. The tour ended April 28, with everyone having a good time coming home on the bus. The trip was enjoyed by all who had the privilege to attend.

WHAT IS AN ANNUAL?

An annual is an album which contains a record of the important events of a year. It contains the events the family sees as well as the ones it normally does not see.

An annual is also the most visible property of a family. It is a young couple takes with them into their own home.

Surveys show that the school annual maintains a prominent place in the home for ten to twelve years.

Take good care of this annual. Its value will increase greatly with passage of time.
